  - SATA to eSATA extension cable with PCI like bracket

## Design

- Dimensions - 4.69"W x 7.99"L x 1.77"H (inch)\*  
\* Dimensions are for reference only
- External Power Supply : Universal AC Adapter (included)

*"I searched desperately for an appropriate external USB 2.0 case for a high performance 3.5-inch Hard Disk Drive and finally found what I was looking for in CRU's DataPortable 350. It is well-designed and manufactured, compact, and adequately cools a 7200 rpm, 180 GB drive. I highly recommend this product."*
