

# Serial ATA-to-IDE (HDD) DataPort™

## BENEFITS:

- Keep using PATA Drives in New SATA Systems
- Ease Transition From IDE to SATA
- Take Advantage of IDE Prices
- Take Advantage of Serial ATA Benefits

## EASY INSTALLATION

Insert any capacity 3.5" IDE Hard drive into the removable carrier

Install DataPort receiving frame into any standard 5.25" bay

Insert carrier into frame and turn on powered key lock

## Serial ATA to IDE Host to Device Bridge

- ▶ Removable Hard Drive Carrier with Built-in Bridge Converter
- ▶ Converts Any Standard 3.5" IDE/ATA Disk Drive to Serial ATA
- ▶ Mounts in PC Bay with DataPort 5 or 5+ SATA Receiving Frame

Features	Benefits
Keep using your IDE/ATA hard drives*	Enables use of IDE/ATA hard drives in newer Serial ATA host computers
Compatible with Standard DataPort 5 and 5+ Serial ATA Receiving Frames	SATA drive carriers and SATA-to-IDE drive carriers can be used interchangeably
Easily convert your IDE/ATA hard drive to Serial ATA	Designed to ease the transition from IDE to Serial ATA technology

\*Hard Drive Sold Separately

# Serial ATA-to-IDE (HDD) DataPort

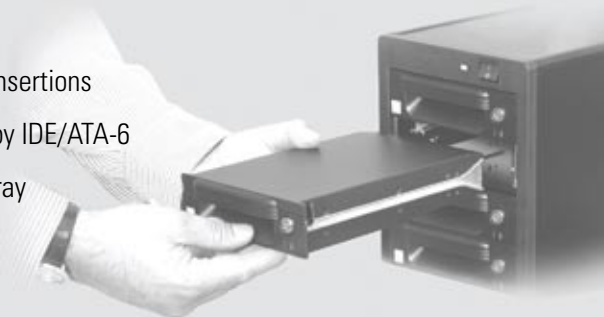

IDE-to-Serial ATA DataPort Carrier

Part Number	Description
8411-5500-0000	DataPort 5+ carrier, SATA-IDE (HDD), RoHS, Beige
8411-5500-0500	DataPort 5+ carrier, SATA-IDE (HDD), RoHS, Black

## Specifications

- DataPort 5+ removable drive carrier with SATA bridge
- Disk-to-Host protocol translator
- Rugged all metal design
- Supports most 3.5" IDE hard drives
- Available in latch or powered key lock
- Power/drive activity LED's
- Gold-plated DIN connectors rated for 25,000 insertions
- Transfers data at the fastest rates supported by IDE/ATA-6
- Available in Beige, Black and Dell Midnight Gray
- 3 Year warranty
- Shipping weight: 1 lb. 6.6 oz.

## Why CRU-DataPort?

- The *Original* Removable Drive
- Industry Leading Warranties
- Highest Rated Connectors
- Unbreakable Molded Handles
- Toll-Free Technical Support
- Based in the USA

**"DataPorts are well built and extremely durable. And the ten-year warranty is unbeatable. When you purchase a DataPort, you know you have something that's going to last and that's critical in our business."**

Jim Raubach  
Forensic-Computer.com

## Compatible with both DataPort 5 and 5+ receiving frames

- Cast aluminum alloy metal frame
- Receiving frame accepts both SATA drive carrier (with SATA drive) and the new SATA-to-IDE (HDD) carrier (with IDE drive)
- High-reliability dual ball bearing fan for drive cooling
- Temperature Controlled Cooling System (TCCS™)
- Gold-plated DIN connectors
- Real-Time interface conversion
- Shipping Weight : 1 lb. 1.5 oz.
